**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to  
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I chose a competitive provider because of the years of frustration I had with At&t. Not only did they not seem to care about my quality of service, but the cost to do business with them was two and a half times what I pay now. Two and half times is a lot for a small business. I know you all are on the government dole and are probably clueless about running a small business, but competitive prices are important to us. Sincerely,

Kerry Workman
